RELAXED LIVING INFUSED WITH A TIMELESS TOUCH

FULL SERVICE DESIGN & PROJECT MANAGEMENT

All encompassing design services intended for clients who need help from an expert in taking their project from start to the finish. Here's what you can expect:

- ✿ **Discovery Call** - during this call we get the scope of work, description and general overview of the project inquiry.
- ✿ **Client Engagement Meeting** - this more in depth discussion (in person or by video chat) where your vision and inspiration can be shared.
- ✿ **Initial Design Concepts** - you'll see conceptual designs that we can fine tune.
- ✿ **Construction Design + Project Management** - all project details will be handled to bring your vision to life.
- ✿ **Ordering & Tracking** - sourcing pieces and ensuring a timely delivery for your project.
- ✿ **Final install** - sit back, relax and enjoy!
